It records that the store manager “was accused of unwelcome advances and offers of going to the cinema, restaurants or visits to the park.. Outlining the restaurant’s case against the man, the report adds that there were “also incidents of inappropriate conduct and preferable treatment to staff in order to curry favours from female staff”.. However, Hanly also found that the restaurant chain’s handling of the dismissal from a procedural point of view “was hopelessly flawed” rendering the dismissal unfair.. The un-named restaurant chain summarily fired the man for gross misconduct after concluding that he engaged in sexual harassment. [Mac Theme For Pc Free Download](#)
